## Registration

**Registration** for Boys' Baseball, Girls' Softball, and Swimming will be held on Wednesday, **February 21<sup>st</sup>**, and Wednesday, **February 28<sup>th</sup>**. Both Registration nights will be from 6:30 p.m. until 8:30 p.m. in the Scout Hut at Larayo.

## Work Days

The first **Workday** is scheduled on **March 10<sup>th</sup>**. The second **Workday** will be scheduled at a later date. Any and all help is appreciated and will ultimately benefit Larayo and all our members. If anyone is interested in working as a Lifeguard or in the Grounds or Concessions department this summer, job applications are available at <http://larayo.com>.

## Membership

The board will continue last year's membership drive where a new member will be able to join Larayo with their dues for the first year set at the 'Junior Membership' rate, which is ½ price of regular dues. For new members, this rate is for the first year only, 'Junior Membership' is still valid for anyone with kids under 7. There is a \$100 initiation fee, but there is no stock ownership requirement. This was done to allow those family and friends of current members to join our organization and try it out and hopefully remain after seeing what Larayo is all about.

Membership Dues for 2018 are to be paid in full on or before Registration.

## Concessions

Another item approved by the board is an option to 'pre-pay' for your 2018 concession work shift obligations for baseball/softball for \$100. After review of the concession staffing the last couple of years, there have been many instances where parents have someone filling in for the slot that they have scheduled. The board thought that this may be something that some members would like to take advantage of. This will not create longer times or more shifts for others, but will allow Concessions, instead of the member, to hire appropriate staffing to manage the shifts for the season.
